BROW HENNA

The next generation in

PROFESSIONAL EYEBROW TINTING

elleebana

BROW HENNA

- NATURAL EYEBROW TINTING WITH TATTOO EFFECT ON THE SKIN
- GENTLE AND INNOVATIVE FORMULA
- STAYS ON THE HAIR UP TO 6 WEEKS
- NO AMMONIA, LEAD OR PEROXIDE
- VEGAN AND CRUELTY FREE

Containing hydrolysed proteins, vitamin complex and anti-oxidants. Elleebana's innovative formula helps to strengthen hair, promote growth and restore the natural shape and condition of the eyebrows.

ELLEEBANA BROW HENNA AFTERCARE

- Avoid sun exposure on the area for 24 hours, this can cause premature fading
- Avoid oil-based make-up remover
- Avoid swimming/saunas for at least 24 hours after your treatment
- Do not rub the tinted area
